Hand Select

SOUTH EASTERN AUSTRALIA

From the vineyards nicknamed “Flying Piano” where select grapes are allowed to stay on the vine longer and ripen in the sun.

Flying Piano Chardonnay

This layered and delicious wine is rich, full bodied and well-balanced. Our wine-maker begins with hand select grapes and crafts them into a Chardonnay that exemplifies Australia's richest style. It is a perfect complement to seafood, poultry, pork, and pasta.

Flying Piano Shiraz

Our Shiraz is an intensely robust wine. Its nose is rich and earthy with flavors of ripe fruit and hints of spices. Flying Piano Shiraz is vinted from carefully selected grapes in order to produce a wine worthy of the fullest bodied Australian Shiraz. Excellent with grilled and roasted meats, wild game, richly flavored meats and hearty stews.

Flying Piano Meritage

Flying Piano Meritage is a wine that highlights the best characteristics of Shiraz and Cabernet Sauvignon – full bodied, balanced and structured – to drink now or in the years to come. It is a sophisticated and full flavored wine that is superb with grilled meats and stews.
